Hi Laurel,

Two of the three Gov Mead comments were already posted to the WY RH docket.

I received a new computer this week and am not able to upload documents to FDMS. I am on the line with the call center right now to remedy the situation. I'll let you know once I am able to get the last comment up on FDMS. Was the Aug. 30 letter a late comment? If so, would you like me to indicate this in FDMS?

Can you upload these to the Wy docket? I think the 8/26 letter is already in there.

Hi – Attached are 3 letters that we have to respond to. Trish Botkin has been sitting on them for

over a month and now there's pressure to get responses done quickly. I'm guessing you don't have time and that we'll just use one of our standard "thank you very much, we'll consider it" responses. I can do this. I'm sending these to make sure you have them in the docket as comments. Let me know if you have any concerns.
